

Community High School District 117 Administrator Compensation Report

Public Act 96-0434, effective August 13, 2009, requires all Illinois school districts, including charter schools to post on their web sites, by October 1, an itemized compensation report for every employee holding an administrative certificate and working in that capacity. In addition to the required posting, the report must be sent to the Regional Office of Education and presented as an informational item at a regularly scheduled Board of Education meeting.
