Automatic Notifications

In the Portal, parents and students have the option of receiving notifications for attendance, score and grade changes, and low lunch balances. Grade change notifications are sent both for changes to final grades at the end of a term and changes to in-progress grades throughout the term. To access notifications, go to the bell icon at the top of the Portal.

The screenshot shows a user interface for 'Notification Settings'. On the left is a navigation menu for a user named 'Connor'. The menu items are: Calendar, Schedule, Attendance, Grades, Assessment, Transportation, Fees, To Do List, Reports, Demographics, Cum Laude, Family (with a sub-menu), Messages (4), Discussions, Household Information, Family Members, Fees, Payments, Food Service, User Account (with sub-menu: Account Management, Contact Preferences, Access Log), and Notification Settings. The 'Notification Settings' page is active, showing instructions: 'Check each notification that you want to receive. Unchecking the box will stop the notification. A notification is deleted after 30 days.' It also explains that settings apply to all students in the household for parents and only to the user for students. Three notification categories are checked: 'Assignment Scores' (set to 'less than 95%'), 'Attendance' (set to 'less than 90%'), and 'Low Lunch Balance' (set to 'Less than \$15'). A 'Save' button is at the bottom. The footer identifies the school as 'Antioch Community High School'.
