**Rigorous college preparatory:**  
(Selective and highly selective colleges)

- 4 years Core English
- 4 years Math
- 3-4 years Science
- 3-4 years Social Studies
- 2-4 years World Languages
- \_\_\_ electives in Art, Music, Drama
- \_\_\_ extra-curricular activities
- \_\_\_ most challenging coursework possible

- Admissions requirements are different for each college and university and may vary by the major or program you select.
- For the best preparation, take the most rigorous program that you can handle and take additional courses that interest you.
- Since each college varies in its requirements, you should research specific colleges which interest you. Start now online through Naviance, college web sites, or with resources in the Student Services Office. Your grade point average and test scores will also be considered.
- Points to consider regarding course selection: Don't settle for the minimum if you can do well in more. Take courses that are realistic for your ability. Challenge yourself and create a plan that will keep your options open for the future.
