**Dear Parent/Guardians:**

The purpose of this letter is to help the school and District comply with the State law placing restrictions of child sex offenders’ access to school property (720 ILCS 5/11-9.3). State law prohibits a child sex offender from being present on school property or loitering on a public way within 500 feet of school property when persons under the age of 18 are present, unless the offender: (1) is a parent/guardian of a student present on school property, or (2) has permission to be present from the Superintendent or the School Board. A child sex offender present on school property must remain under the direct supervision of a school official.

The following applies to a **Parent/guardian who is a child sex offender:**

If you are a child sex offender, you need to immediately return this letter with the blanks completed, to the Building Principal’s office where your child is enrolled. The District will crosscheck responses with the list received from law enforcement identifying child sex offenders living within this jurisdiction.

When you visit your child at school or a school event that you have not already described on the form below, you must inform the Principal’s secretary that you need to make an entry on your record of school visits. This record will be kept on file in the Building Principal’s office where your child is enrolled.

The following must be completed by a child sex offender who is a parent or guardian of a student enrolled in the school:

- You do not need advance permission for you to visit school property.
- You must provide the information requested below for the times you anticipate visiting the school, such as, after school to pick-up your child, during specific sporting events, and during parent-teacher conferences.
- For all other visits, you must go to the Principal’s office and provide the information on your record of visits.
- You must remain under the direct supervision of the assigned school official.
